1776 Lower Potomack Hundred, from "Maryland Records" by Gaus Marcus Brumbaugh.

Names listed may not be arranged as in families, though some may be. The females were on a different page.

Edward Tucker.....age 56	born 1720
Alexander.....21	born 1755

William 10	born 1766
Rezin 8	born 1768
Osborn 6	born 1770
Walter 4	born 1772
Nathaniel 2	born 1774
Benjamin 1	born 1775

Benjamin Tucker.....age 22	born 1754
Joseph Tucker25	born 1751
John Tucker 4	born 1772

Hezekiah Tuckerage 25	born 1751
-----------------------------	-----------

Susanna Tucker.....age 26	born 1750
Elizabeth 28	born 1748
Susanna 2	born 1774
Elizabeth 1	born 1775
Elizabeth 31	born 1745
Mary 35	born 1741

Elizabeth Tucker.....age 56	born 1720
Eleanor 14	born 1762

Mary Shoemakerage 21	born 1755
----------------------------	-----------

The women who are the correct ages to be married would be:

Susanna 26
Elizabeth 28
Elizabeth 31
Mary 35
Elizabeth 56 who is probably the wife of Edward

The wife of William who died in Allen County and buried in Huntertown Cemetery was supposed to be Mary. If so the Mary above, age 35, might be William's wife. There is a discrepancy in the age of William as his tombstone in Indiana says he was born July 2, 1761 at the age of 85 years which works out exactly with his death date of 1846. This is merely an inscription report because the tombstone is no longer there. Does not

*Wrong age group. She is of age to be
Walter's wife as are the others.*

quite jibe with the 1766 birthdate of William, possible son of Walter above. Though Walter would have been old enough to have a son at 19 years of age in 1761.

ordinary licenses
practitioner of physics

This says that Walter and his son, as well as Allan were all over 16, meaning they would have been born before 1774. Does not give indication which son it was.

VANDOLAH AND TUCKER CENSUS AND FACTS

Ohio, 1810 or 1820 census, not sure which or maybe both

Reason Tucker	137A	Montgomery County	Washington Township
William Tucker	141	Greene County	Sugar Creek Township
Margaret Tucker	134	Montgomery County	Dayton

Peter Vandolah	141A	Greene County	Sugar Creek Township
Peter Vandolah, Jr.	144	Greene County	Sugar Creek Township
Peter Vandolah	005	Huron County	Cad.
Sarah Vandolah	009B	Fayette County	Madison Township

Another year:

Resin Tucker	328	Greene County	Sugar Creek Township
William Tucker	322	Greene County	Sugar Creek Township

Sarah Vandolah	289	Fayette County	Madison Township
George Vandoler	230	Hamilton County	Mil.
Peter Vandoler	283	Hamilton County	Whi.

In the 1850 Ohio Census we find

No Tuckers in Greene County and

Thomas Vandoler	115	Greene County	Sugar Creek Township
James Vandoler	288	Hamilton County	Whitewater Township
Peter Vandoler	287	Hamilton County	Whitewater Township
Thomas Vandoler	287	Hamilton County	Whitewater Township

We know that James Vandolah came from Greene County in Ohio and had his family in Indiana before 1840. We know that he married Rebecca Tucker in Ohio and had a family started before coming to Indiana to live.

We have buried in Perry Township a William Tucker, born 1761
 Thomas Tucker born 1810
 James Tucker born about 1815
 wife Emeline born about 1823
 born in Greene County, Ohio

We have Reason Tucker, born about 1789 in 1850 IN census Miller
 James Tucker, born about 1815 was a millwright
 James Vandolah, born about 1804 by census, was a millwright and came from
 Green County, Ohio

All living in Perry Township, Allen County, Indiana, in 1850

Possible and probable that Reason Tucker was the father of Rebecca Tucker who married James Vandolah and had Frances who married Mathias Fitch. Reason's wife was named Frances and so Frances (Vandolah) Fitch could have been named for her grandmother Frances Tucker. All from Greene County, Ohio. All in the work of miller or millwright.

TUCKER ...

Perry Township Cemetery

Thomas Tucker, born in Jefferson County, Virginia
born Sept. 4, 1810
died July 10, 1898 2

Mary, wife of Thomas Tucker, born in Shenandoah County, Virginia (Shoemaker)
born May 10, 1814
died Feb. 19, 1896

William Tucker, born in Maryland
born July 2, 1761
died September 30, 1846
85 years, 2 months, 29 days

Emaline, wife of James Tucker, born in Green County, Ohio
born 1823
died 1880

Perry Township Census in 1850

Thomas Tucker	40	Farmer	born VA.
Mary	30		born VA
George	13		born Ohio
Barbary	12		born Ohio
James	11		born Ohio
Isaac	10		born Ohio
Jacob	8		born Indiana
Thomas	6		born Indiana
Daniel	5		born Indiana
Benjamin	1		born Indiana

James W. Tucker	35	Millwright	born VA
Emeline	25		born Ohio
Abner	11		born Ohio
Thomas M.	9		born Ohio
Emeline	1		born Indiana

It is possible that James Tucker may be Rebecca (Tucker) Vandolah's brother as both were born in Virginia and Rebecca would be about 38. We have her birthdate as 1809, making her about 41 in 1850, but census reports are not always exactly correct. Then Thomas, above could also be a brother, born in Virginia about 1810.

Yes

TUCKER, continued ...

John Tucker	37	Laborer	born Ohio
-------------	----	---------	-----------

John Tucker is in the same household as Lucy Gump and she is listed as 49 years old and born in Virginia. Will have to check the Gumps to see if Lucy might have been a Tucker too.

Reason Tucker	61	Miller	born Maryland
Frances	62		born Maryland
Jane	33		born Ohio
Samuel	28	Laborer	born Ohio

Is this Rebecca's father?? A J. R. Tucker has 80 acres next to Vandolah land in 1880-1885 map. Note also that Frances is the mother, and Rebecca (Tucker) Vandolah named one of her daughters Frances. Frances married Mathias Fitch. Also that this man is a miller, and that James Vandolah was a millwright and so was James Tucker.

There are also Tuckers in Eel River Township so will need to check there and it was said that they were relatives of the Vandolahs.

So possible set-up for this Tucker family would be :

- Reason Tucker born about 1789 and Frances born about 1788
- Thomas born Virginia about 1810
- Rebecca born Virginia about 1809
- James born Virginia about 1815
- John born Ohio about 1813 (could be an error in place of birth)
- Jane born Ohio about 1817
- Samuel born Ohio about 1822

Rebecca, born about ~~June 1, 1809~~ and - ~~May 18, 1812~~
Thomas born Sept. 4, 1810

Reason Tucker b. 1789 - MD
 William Tucker b. 1761 - MD
 Thomas Tucker b. 1810 - MD
 James Tucker b. 1815 - VA
 Rebecca Tucker b. 1809 - VA
 wife MD-1788

If Wm is the father - b. MD
 Reason, the son b. MD
 wife from MD so prob. did not move to VA
 Thomas born VA x Rebecca so prob. moved after marriage
 So Ohio by about 1817
 Indiana by about 1832

A Tucker descendant, John Rolfe II of Sta. Co
 believes William is Reason's father
 and Wm is the eldest son of Walter Tucker

so prob. the Tucker family was in
 a group who moved to VA which
 included the family of James, wife -
 to be of Reason.

Dear Betty,

Sorry for the delay in responding to the referenced e-mail. Thank you for the expression of sympathy over my Son's death. Also, thank you for the information on the cemeteries where your husband and some of the Tuckers are buried. and for making the Tucker connection with your family.

My Tucker connection began with my marriage to Marjorie Ellen Tucker. Marjorie was one of nine children born to Maxwell Thomas and Margaret Ellen Morrissey Tucker. Marjorie had come west from Tecumseh, Nebraska, her home town. to Pocatello, Idaho to study and train to be a Registered Nurse. We met when I returned home to Pocatello in March of 1946 after World War II, and we were married on August 1, 1947. We were married over 61 years when Marjorie died on January 9, 2009. Besides John, we had two daughters. Margaret Christine and Marsha Ann.

Thanks again and let us keep in touch.

John R. Rohde

Son of Reason

There seems to be no stone or marker for William Tucker, who was born in 1761 in Maryland and died in 1846 in Allen Co., IN. His information is in the Cemetery book and listed in Perry Township Cemetery. So in trying to find where these stones may have been, if they ever were, I put together the information on each lot in the area where William Tucker's stone and grave should be.

One researcher of the Tucker family was told by a lady grave seeker that she had found the stones in our Perry Township Cemetery several years ago. But she could no longer remember where they were located. As long as I have been coming to the cemetery, in 1972, I have never seen them and any time we looked for them, they are just not there.

We think that William Tucker was the father of Reason Tucker who is the father of Rebecca Vandolah, who married James Vandolah and is a direct ancestor of Warren and descendants.

PERRY TOWNSHIP CEMETERY

Lot Number	Purchaser	Descriptions
#66	W. E. Hand	Stones for William & Arminda
#67	Thomas Vandolah	Large Vandolah stone & others
#68	W. M. Anderson	Many Andersons in area
#69	R. Tucker	Grassy plot with no stones
#70	S. Chapman	Just east of grassy plot
#71	J. Sechler	East of Chapman, Jacob & Catherine
#73	Ed Stirlen	East of Sechler
#99	Isaac Tucker	Isaac & Phoebe
#100	John Anderson	John & Elvira's stone, plus many of his immediate family
#101	Henry Golden	Contains the Golden stone
#102	No name	
#103	Robert Baird	David, Ellsworth Baird
#104	Nicholas Cooper	Wm, Phebe, Emma, Frances
#105	James Dunten	
#106	William Tucker Rev. War (1761-1846)	Large Tucker stone, with other small ones, none with William on
#107	George Shelner	
#108	Benjamin Morris	Benj, Ellen & Ella
#109	John Warcup	Sumner, Myra & prob. others
#110	Eliza Latham	Celeste and Maude??

This indicates the lot that was purchased by Reason Tucker, #69, if used, does not contain gravestones. The stones of Reason and his wife Frances, allude us completely. The place where this lot should be seems to be nothing but grass with no stones at all.

The Lot #106 was purchased by William Tucker. If he is buried there the stones do not reveal it. We cannot be sure that the large Tucker stone is placed on Lot #106 but it is in the same area.

THE DEATHS.

Tucker.

Thomas J. Tucker died in Virginia City, Nevada, on New Year's day at the age of sixty-two years, ten months

and twenty-one days. Mr. Tucker was born in Perry township, Allen county, and went west forty years ago.

The remains will arrive in Fort Wayne this evening and will be taken in charge by Undertakers Klaehn & Melching. They will later be removed to Huntertown, where the services will be held at the Cemetery chapel. The interment will be at the Huntertown cemetery.

The deceased leaves four brothers—Isaac, of Eel River township; Ben F., of Geary, and Daniel, of Perry township.

One brother, Jacob B. Tucker, was killed in a wreck at Granger, Wyo., two years ago while returning to Reno, Nev., his home, after having visited his brothers in this county. His remains were sent back here and were buried in the family lot at Huntertown.

VICTIM OF WRECK TO BE BURIED HERE

Jacob R. Tucker Was Born and
Reared in Allen County.

The remains of Jacob R. Tucker, of Virginia City, Neb., who was killed in the Union Pacific wreck, at Granger, Wyo., Saturday, will be brought here for burial. They will arrive in the city to-night and will be taken in charge by Undertakers Klaehn and Melching, who will forward them to Huntertown. The funeral services will likely be held Wednesday.

Mr. Tucker owned an interest in the family homestead near Huntertown and he frequently made trips here to visit his brothers. Several weeks ago he came to Fort Wayne from the St. Louis fair and it was while he was on his way to his western home that he was killed in the wreck. Mr. Tucker was about sixty years of age and unmarried. He was a son of the late Thomas Tucker, a pioneer of Allen county, and was born in Perry township. Forty years ago he went west and settled at Virginia City, accumulating large landed interests and considerable mining stock. He is survived by five brothers, three of whom reside in Nevada and two in Allen county. The latter are Isaac Tucker, of Eel River township, and E. G. Tucker, of Perry township.

Elbridge Gerry Tucker

Elbridge Gerry (Ebb) Tucker, 93, died at 5 p.m. Thursday at the home of his niece, Mrs. Edith Caley, Carroll Road, with whom he had resided 16 years. He was a lifelong resident of Perry Township.

Surviving besides Mrs. Caley are another niece, Mrs. Ethel Renecker, R.R. 3; a nephew, Clyde Tucker, R.R. 1; two great-nephews; two great-nieces and a great-great-niece.

The body was taken to D. O. McComb & Sons' Funeral Home and will be returned to Mrs. Caley's residence, where friends may call after 6 p.m. today. Friends are asked to omit flowers.

Funeral services will be held Sunday at 1:30 p.m. at the residence and at 2 p.m. at the Huntertown Methodist Church, the Rev. W. R. Schmelszer officiating. Burial will be in the Huntertown Cemetery.

Not my family line, just sharing.

From the book "HISTORY AND BIOGRAPHY, COUNTIES OF WHITE AND PULASKI INDIANA. Historical and Biographical. Illustrated. Chicago; F. A. Battey & CO., Publishers. 1883."

page 392, Big Creek Township, White County, Indiana

"LEVEN TUCKER Jr., was born in Sussex County, Delaware, January 12, 1823, and is the seventh in a family of eight children born to LEVEN and ANNABEL (WORKMAN) TUCKER, both natives of the above county. LEVEN TUCKER Jr., was left an orphan at the tender age of three. Until fifteen years old, he was reared by a cousin, who came to Fayette County, this State (Indiana), in about 1829, and some years later moved to Cass County (Indiana). In 1840, MR. TUCKER returned to Delaware for a year, and then went to Pickaway County, Ohio, where he worked by the month for seven years. In FEBRUARY, 1848, he came to this county (White County, Indiana), and on the 9th of November following, married JANE WOLVERTON, native of Pickaway County, Ohio, daughter of PHILIP and MARY WOLVERTON. In March, 1849, MR. TUCKER bought 200 acres of wild land in this township, and here he has lived ever since. In the cabin, which is still standing, first erected by MR. TUCKER on this farm, were born all of his six children, of whom four are yet living. He has added to his farm from time to time until he now owns 700 acres of well-improved land. He is engaged extensively in stock breeding and dealing, and is a leading general farmer. In politics, he is a Republican."

Gregg, I have a letter from Sabra Tucker White dated 1988. She writes-
John TUCKER b 1760-1770 in Delaware died 5 Feb 1842, s/o Abraham TUCKER. John md Sarah MITCHELL d/o David MITCHELL & Elizabeth REID. John is on the 1790 census in Fayette Co. Pa., unmarried. He must of married soon afterward, as he had two or three of his older children by the time the family along with Solomon McCall and family, and David Mitchell and wife (the father-in-law of John Tucker) went down the Ohio in a boat from just South of Fort Pitt to what was then Adams Co., Ohio in 1796. John & Sarah had a large family. His son David md Martha McCall d/o the above Solomon McCall, & they were the parents of Abraham Jasper Tucker (the great-grandfather of Sabra TUCKER). John also had a son Abraham b 1804 md May Eliza DODDS 7 June 1832, & Elijah TUCKER b 1807 md Nancy PITTS 29 Oct 1835. Other probable ch;

1. Margaret md Wm. BYERS Jr. 4 July 1811.
2. Sally (Polly) b 12 Jan 1792 Pa. d 12 Jan 1882, md William THOROMAN 19 Dec 1815 (note-she is on a pedigree chart of John Tucker b 1798 that md Sarah L. DOWNING in Bracken Co. Ky. but not a dau, maybe a sister or cousin. This John was thought to be s/o John TUCKER b ca 1760, Rev. War in Maryland, that md (2) in Ky. to Sarah MITCHELL).
3. James md Louise Venort 13 Nov 1828.
4. Joseph md Jullia Ann Darlington 29 Mar 1838.
5. Keziah b 1807 md James Pitts 21 June 1832 (James b Lewis Co. Ky).
6. Anna b 1800 md John B. Dodds 29 May 1823.
7. Nathaniel b 1810.

The above marriages are llisted in the Courthouse at Portsmouth, O. and believed children of John Tucker & Sarah Mitchell. John Tucker J.P. of Buena Vista, O. Appointed first JJ of Nile Twp. by Gov. Tiffen.

I have a Elijah Joseph TUCKER born in Ohio ca 1801 that lived in Fayetteville, Brown Co. Ohio, next to Adams Co.

I DON'T KNOW WHEN TUCKERS ARRIVED IN AMERICA BUT I HAVE HEARD A DIFFERENT MEANING FOR THE NAME: I HAVE UNDERSTOOD IT TO BE AN OCCUPATIONAL NAME HAVING TO DO WITH THE MAKING OF CLOTH AND THAT THE NAME COMES FROM MIDDLE ENGLISH "TOUKERE", A PERSON WHO STRETCHED CLOTH ON TENTERHOOKS TO DRESS IT (OR PREPARE IT FOR DECORATION). THIS IS THE EXPLANATION I'VE HEARD FROM MY FAMILY.

Although they do not qualify as "settlers", there were two Tuckers who figured in the very early history of the American colonies. Thomas Tucker, son of Thomas Tucker (bc1535) and Joanna Cartilou of Tavistock, Devon was a member of Sir Francis Drake's 1585/86 expedition that explored the South Atlantic Coast. He was killed in a skirmish with the Spanish in 1586 in the Bahamas. He may have been the first Tucker to step foot on North American soil as well as the first to die in the American Colonies.

Another Tucker from the same extended Tavistock family, John Tucker (1568-1612), son of John Tucker and Elizabeth Renn, was an "adventurer" (not a sailor) on Bartholomew Gosnel's 1602 voyage of exploration which is credited with discovery and naming of Cape Cod. In fact, the dangerous shoals off the southeastern end of Cape Cod were named "Tucker's Terror" -- a name that was used on many nautical maps until the late 19th century.

I read with interest your posting and Peg's reply regarding Calista Tucker. Osborn S. Tucker is my 4th great-uncle. On the 1860 US Census of Lincoln, Logan County, Illinois, Osborn's child Calista is listed as a male. I had assumed, therefore, that Calista had probably died before 1870 as I have been unable to locate him on any subsequent census. It is curious, now, that your posting makes me question whether or not "my" Calista Tucker was actually a male child. Do you have any further information on your Calista Tucker Maston? Do you know when or where she died? Also, if your Calista Tucker is the same person as "my" Calista Tucker, her mother was Jane Birch, the second wife of Osborn S. Tucker. I hope we can sort the Calista(s) out. Thanks!

Well, the info that I have is this...Osborn Tucker born in abt. 1805 first married Cynthia and born in abt. 1809. Their children are Peter b. abt. 1849, Mark b. abt. 1847, Sarah b. abt. 1840, Billard b. abt. 1836, Betsy b. abt. 1834, and Emily b. abt. 1832. Then I have Osburn married to June or Jane (I don't know if this might be an error I have found a death date for June Maston on 9-8-29. There are 3 Jane Maston all from southern IL that had died between 1923 and 1928. None of them were in Logan County, so I'm not sure.) From Jane/June I have Ann b. abt. 1851 and Calista abt. 1855. When I searched for Calista and James Maston's marriage, I found a Nancy Calista married to James M. Maston on March 18, 1869 in Logan County. So I think Calista's real name may be Nancy and just went by the name Calista. I have Calista and James M. Maston's children as Arthur O. Maston (my great-grandfather) on 1-3-1893, Julie E. abt. 1873, Harvey Daniel b. abt. 1875 and d. 1-1-36, James W. b. abt. 1875, and Marion T. b. abt. 1880. This is the info I have. I'm not 100% on some of it. Let me know what info you may have and we can see what we come up with.

Ann

Hi Ann,

Thanks for the reply. Forgive my denseness, but why were you searching for a Jane or June Maston? Do you have some idea that Osborn S. Tucker's wife Jane married a Mr. Maston after Osborn? If we knew where and when Calista Tucker Maston died, we might be able to locate an obituary that could supply us with the names of her parents or with another clue to verify if she is a child of Osborn S. Tucker and Jane Birch. So far, I couldn't find a Calista or Nancy Maston on the on-line Illinois death index. Perhaps she died prior to when Illinois began keeping death records.

John

I found a two birth dates and death dates. I don't know how much use they will be. I don't know what county the passed in. All I found was dates. This is what I have found:

Emily E Tucker August 21, 1832 August 31, 1918

Osburn S Tucker September 11, 1804 May 20, 1894

Thanks again Peg!

Searching for WALTER TUCKER B 1738 In England . WALTER and his Family settled in or around FREDERICK CO. MARYLAND in the 1760s. It is believed he immigrated from there to BERKLEY CO. WEST VIRGINIA, remaining there from at least 1792 until 1797. At that time we believe he moved to CLARK CO. KENTUCKY as he appears in the tax Books of CLARK CO. KY. for the years 1801-1802-and 1804. After about a 10 year gap, WALTER TUCKER resurfaces in ADAMS CO. OHIO in 1815.

WALTER'S first wife is unknown however his second wife was
SALLY BRANNUM or BRANIUM

WALTER'S SON OSBORNE TUCKER was born in 1768 in FREDERICK CO.
MARYLAND so we know WALTER was living there at that date.

William Gerard Tucker

John Tucker petitioned for the creation of Frederick Co., MD in 1742, with a William Tucker and a Nathaniel Tucker, perhaps two sons. In 1761 John Tucker, William Littleton and others petitioned for the establishment of a tobacco house on land of John Edmundson's in Vienna Town. In 1744 William Tucker and John Tucker petitioned for a bridge for a road from Tuscarora Creek to the mouth of Katoctin and from thence to Antietam Creek. In November Court, 1758, John Tucker was named as Road Overseer for River Road and Touchstone's Road.

No issue has been proven for John Tucker, but the following would appear to be his family. They are grouped here because they were in the same locations and because the unusual names *Littleton*, *Malin* and *Resin/Rezin/Reason* appear in these lines. Those names do not appear among other Tucker lines. The Rasin family in Maryland begins with Thomas, who died 1688, St. Mary's Co., whose will mentioned a wife and five children (sons to be of age at 18; daughters to be of age at 16). That will was witnessed by Kenelm Cheseldyne who married Mary Gerard, step-daughter of Rose Tucker Gerard Newton.

Thomas Rasin's children probably included Thomas Rasin II and Philip Rasin. Philip died 1717, Kent Co., MD, and his will was witnessed by Rachel Fitzgerald, Oliver Palmer and Ann Fizehew [Fitzhugh]. William and Sarah (Tucker) Fitzhugh had three sons who married women named Ann: (1) Ann Lee (1683-1732), who had married Capt. Daniel McCarty before this time, so it could not be she. (2) Ann Fowke (Mason) Darrell Fitzhugh Smith, who died in 1713 and so could not be she. And (3) Anna Barbara McCarty, daughter of Capt. Daniel and Elizabeth (Pope) McCarty. (Barbara was therefore step-daughter of Ann Lee). Anna Barbara McCarty married in 1715 Maj. John Fitzhugh. She must have been the witness.

Probable issue of John Tucker:

A-probably William Tucker who signed the petitions in 1742 and in 1744. On 18 September 1756, he filed marks of a stray horse taken up by him in Frederick Co., MD. On 16 November 1762, Stewart, Veath and Kennedy confessed judgment to William Tucker for 1 pound sterling and 15 shillings. On 23 August 1773, a deed dated 10 August 1773 was recorded: William Tucker of Frederick Co., MD, to Peter Rudy for 200 pounds sterling, land adjoining Philip Judea's. Witnesses were John Stull, Toprigg Wootton. Rachel, William's wife, acknowledged. On 18 August 1773, William sold to Mathias Ahalt 70 acres of land with witnesses John Hull and Evan Shelby. Again, Rachel acknowledged.

B-perhaps Nathaniel Tucker who also signed petitions in 1742 with John and William. Issue unknown:

William Gerard Tucker

a-perhaps **Walter Tucker** who appeared in 1776 Census in Lower Potomac Hundred, Frederick Co., MD. His family included one **Rezin Tucker**.
C-perhaps Littleton Tucker, on the Roster of Maryland Troops, 1757-1758, but killed in 1758.

D-Stephen Tucker, on Roster of Maryland Troops 1757-58. He enlisted in Revolutionary War in Washington Co., PA, and lived for a time in Culpeper Co., VA, but returned to Pennsylvania, according to his Revolutionary War Bounty Warrant and according to Tax Records of Culpeper County.

E-Perhaps John Tucker, who also served in the Maryland Troops 1757-1758. On 20 March 1765 John Tucker of Frederick Co., MD [this one or his father] sold to Henry Neff a tract of land there. Witnesses were Peter Bainbridge and Thomas Price. Elizabeth, wife of John Tucker, relinquished her dower rights.

On 17 June 1767, John Tucker of Frederick County sold two tracts of land to George Cost. Witnesses were James Smith and Thomas Price. Again, Elizabeth acknowledged. This appears to be the same John Tucker who died in August 1823 in Hanover Township, Washington Co., PA. His will named wife Henrietta and the following family:

1-Thomas Tucker

2-David Tucker, born by about 1710 as his children were born between 1730-42, then David was deceased. His wife may have been Christiana, named "daughter-in-law" by David's father. Issue of David Tucker (named by John Tucker in 1823):

a-Samuel

b-Ellin

c-Resin

d-David Tucker married Mary A. Webster. Issue:

i-Laura V. Tucker married Thomas J. Mohler in 1870

e-Nancy Tucker

f-Philip Tucker

g-Rolin Tucker

h-Samuel Tucker

i-Mary Tucker married 1787 Johan Frederick Kirchner. Witnesses to this marriage included Stephen Tucker, Littleton Tucker and Stephen Tucker. Apparently one Stephen was her great-uncle, the other her cousin.

Dear Betty,

I've put this packet together for you. If there are other copies of US Censuses that you want, please let me know. I'll try and get copies of them. Please find enclosed the following items:

- 1) Gaius Marcus Brumbaugh's transcription of the 1776 Provincial Census of the Lower Potomack Hundred of Frederick (later Montgomery) County, Maryland with entries for Walter Tucker and sons.
- 2) A transcription of the 1790 US Census Maryland with entry for Walter Tucker in Montgomery County, Maryland.
- 3) Tucker entries in the Personal Property Tax Books of Berkeley County, [West] Virginia for the years 1792, 1793, 1794, 1795, 1796, 1797, 1798, 1799, 1800, and 1801.
- 4) Tucker entries in the Personal Property Tax Books of Jefferson County, [West] Virginia for the years 1802, 1803, 1804, 1805, 1806, 1807, 1809, 1814, and 1815. (Please don't be put off by the name "Ossee". I'm fairly certain Ossee is my ancestor Osborn. I've found Osborn Tucker's name written and butchered in various records in various ways such as Ozband, Osman, Adbin, etc. . . It's also been recorded as Osburn, Osbourn, Osbourne, etc. . . "Osborn" is the spelling on his his tombstone. Also, my maternal uncle's name was Robert Osborn Tucker, so I go with "Osborn".)
- 5) William Tucker's entry on the 1820 US Census of Sugar Creek Twp., Greene Co., Ohio
- 6) William Tucker's entry on the 1830 US Census of Sugar Creek Twp., Greene Co., Ohio
- 7) Reason Tucker's and James Stith's entries on the 1820 US Census of Washington Twp., Montgomery Co., Ohio.

I hope these records prove of interest and help!

Most sincerely

John R. Rohde II

Hello John,

I will try to formulate a cover letter of sorts for you. I will include the following items in this packet:

1. Descendant outline of Reason Tucker. This is before I received any information from you and just as I had it in my Family Tree Maker. Will include mainly the Vandolah family and down through our family. Note that as yet I had not included the death of my husband, which was April 25, 2000. (Guess I thought if I didn't put it in, it didn't happen!) But it did. I still have many local and current Vandolah's and Tuckers to work on.
2. Reason Tucker family group sheet.
3. Maps of Perry Township, Allen County, IN about 1880-85 and 1898
4. Map of Eel River Township, Allen County, IN about 1880-85
5. Newspaper article about the Vandolah Mill
6. Photo of Mathias Fitch and Frances Vandolah (whose mother was Rebecca Tucker)
7. Tuckers, Vandolahs in the new Huntertown Cemetery, across the road from the old
8. Vandolah marriages from the Allen County, IN records
9. Tucker inscription from Fairview Cemetery, Eel River Twp., Allen Co., IN
10. Vandolah family group sheets.....also done before adding any of the information that you sent.
11. Misc. pieces of info on Rev. War pensioners and a current obit on Howard Tucker
12. Photos of the Thomas Tucker gravestone
13. Photos of Isaac and Phebe Jackson Tucker tombstones
14. Photos of Emeline, wife of James Tucker tombstone. You can see that there are no other tombstones in that plot either. Quite empty all the way around.
15. 2 more current Tuckers buried in new Huntertown Cemetery. Conrad Tucker and Carson Tucker. Apparently Carson is still living. My husband fixed television sets "Cooney" Tucker back in the 1950s when we were in such a business.
16. Photo of the E.G. Tucker plot, #198, which has a Tucker tombstone, but nothing at all around it. Nothing on the right side of that plot. And nothing on the tombstone except the name Tucker. It appears that either the old stones have disappeared or that family went somewhere else.

I am sorry that I do not have more. You apparently know a lot about the Tuckers than I do but will be willing to check into them further in Allen County.

I made a start today when I called Terry Tucker who we know slightly. His wife was telling me about what they knew. Apparently it started by finding a national book on the Tuckers. You probably know of such a book and maybe even have a copy. Then they discovered that they were related to their best friends who were of the Bailey family, from the Vandolahs. She was telling me that there is an elderly lady in Warsaw who has done the tracing of the local Tuckers. She said I could copy this book that they have if I would like to and also gave me the number of the most likely local Vandolah genealogist, as well as will try to find out about this Warsaw lady and if she might have more copies of the local families. Terry's father was Howard whose obit I have enclosed. She mentioned then the names of Horace Tucker and John Tucker and I think she said that John was the one who came to Indiana, though they have it traced back to the Barbados. However, I don't know how much in depth they have gone with their research. May or may not be so. She made no mention of Reason or James. But they may have all of that anyway. She was leaving for a trip for the next few weeks and asked that I give her a call after the 4th of July and she will get together with me to see what we can discover.

What do you know of a national Tucker book? She said it is filled with interesting stuff on going to Virginia, etc. Though it is quite thick she said she would be glad to let me copy it if I want to. I had a feeling that you knew quite a lot about the Tuckers by the things you have written to me and facts you have stated so may not be much of anything new in their information. But I would like to have it anyway, and then maybe can untangle the relationships of the Tuckers here in Allen and DeKalb Counties.

Note on the photo of Conrad Tucker's tombstone, that they have a coat of arms. I thought that was interesting. Wonder if it is a true coat of arms or just one of these that you find in books written by folks who want your bucks!! Does it look familiar to you?

I am sorry it has taken so long to even get this going to you. This week has been another busy week. We have had bad storms in the area every day except yesterday. Limbs to clean up, etc. No real damage here, but a group from the church we go to are coming Saturday to put a new roof on my house, and so we had to get the roofing up on the roof, get a dumpster to contain the old roofing, and get other things prepared, like taking down the gutters (which also need replacing) etc. Anyway trying to fit everything in between rainstorms was quite a job. So hope I can get this out to you yet this afternoon. And I had to wait to get my photos back. And prepare some food for this hungry crew to devour. That is the least I can do for all their help!

Again wish I had more to send to you, but hope that if there is nothing new, at least I may be able to find more in the future. As I had said before, have spent most of my time on the Fitch name. Would like to find out more about the land records etc., that I have only in index form. Perhaps there would be more clues in those. So much to do and so little time.

TUCKER INFO from Mirabel Tucker

The Tucker family is of pur Anglo Saxon origin. The original name was probably "Torker" or "Tuker". This was an occupational name and referred to one who "torked" or "tucked" in a wool weaving operation. The name later came to indicate a manufacturer.

It is believed that the very first family in England was by the name of John Tucker. He fought at the Battle of Hastings having followed William the Conqueror to England in 1066. He later was assigned the large estates in the County of Devon. "Devonshire" became the original seat of the family name. Other early Tuckers of Devon were William, George, Tobias, Nicholas, and Robert; the latter was elected mayor and was granted his arms before 1620.

The original John Tucker, sired a son, Stephen. In later years Stephen was granted the honor of wearing his hat in the presence of King Henry I in 1110. He was also awarded a large estate called Lamerton near Travis tock in Devonshire.

This family expanded and spread to the south of England in counties of Dorset, Somerset, Glovstirshire, Kent, Yorkshire and Pembroke County of Wales.

The first Tucker on record was the ancestor to whom the arms were granted, Sir Guy Tucker, who went with "Richard the Lion Hearted" on the third crusade in 1189. Sir Guy was killed in the Battle of Acre. The whole of the arms is of crusading origin. The chevron denotes his leadership as "Captain of Horses". The sea horses refer to the Aegean Sea across which, in boats, he led his followers to land near what they believed was the sight of Troy.

Many of the early Tuckers who came to this continent became distinguished leaders and citizens and have indelibly written their names into American history by their productive deeds.

George III, Henry and Robert, sons of William Tucker of the 15th century, immigrated to America. George and Henry settled in Virginia and Robert in Weymouth, Mass., prior to 1682. Later he moved to Dorchester and then to Milton, Mass. He arrived in America around 1635 and was a merchant of great wealth. He died in 1682; he was married to Elizabeth Allen.

George and Henry were part of the Virginia Company. George's son, Daniel, became the second Governor of Bermuda. Henry's son, Henry II, is believed to be the father or grandfather of Chief Justice John Tucker.

The Social Security files of 1964 reveal the name Tucker to be the 119th most numerous name in the nation. There are approximately, 149, 550 adult Tuckers in the United States today.

We, who are their descendants, can well be proud to claim the Tucker name for they have had much to do with the founding of this country, and have taken an active part in its growth. They were adventurous, spirited, hard-working and strong-willed

people. Descendants can be found throughout the country; prominent in political, social and economic affairs. Let us hope to carry on this proud birthright and heritage.

In Bermuda the Tuckers were the most prominent among early pioneer families. G. MacLaren Bryden writes concerning the Tuckers, "The island of Bermuda has become famous for three things which it exports to the United States, onions, lilies, and Tuckers".

AT THE SIGN OF THE CREST, the Tucker Coat of Arms

This was taken from "Hobbis", the magazine for collectors, Dec. 1939.

"From the islands of Bermuda have come many Tuckers and through many generations they have contributed much to the old dominion in civil government and medicine, in education and law and in the ministry. Four authorities agree that the Tucker family moved around in England. These several Tuckers are from County Kent and County Devon in England.

William Tucker lived in Devon. He had sons, George, Tobias, and Nichlos. George had a son, George, and a son St. George. Daniel, in Virginia in 1608, is registered both from Milton, Kent, and Devon and his father was George, according to dates, the first one mentioned. St. George who was born in Bermuda, was the son of George of Kent. Robert, who was in Milton, Mass., in 1662, was from Milton County, Kent. Daniel, in Virginia, and Robert in Mass., are registered in Cozier's General Armory of American families as having coat's of arms slightly differing. In Burke's General Armory there are 3 recorded from Devonshire and two from Kent, also with slight variations such as colors, sea horses and battle axe. The way the billets in the crest are arranged and the partition line of the chevron. These all indicate that the branches were from one family originally and that the moving from one section to another; a new honor granted, or the desire for one branch to be more definitely identified, were the reasons for the changes recorded.

Robert, of Mass., had the embattlement partition line on the upper edge of the chevron only; the sea horse gold instead of silver, and the head of the battle axe silver instead of blue."

In this article the Virginia coat of arms is described and a few of those colonial ancestors noted. This Daniel, whose armorial bearing is registered in Cozier's and who was in Virginia in 1608, sometime between 1607 and 1620 performed duties similar to treasurer under the title of "Keeper of the Store" or "Cape Merchant". He died in Bermuda, February 25, 1624. He was a member of Council in 1619.

A William, born in England in 1589, was a member of Council in 1623 and of the House of Burgess in 1619 and 1623-24. He held the title of "Captain".

A Robert was a member of the assembly about 1754.

St. George Tucker, 1657-1711, son of George who was born and died in Bermuda, was given his mother's surname. One Henry St. George, probably her father, was at one time principal King of Arms.

St. George Tucker's brother, John, was secretary to Queen Ann and Keeper of State papers. He died unmarried.

St. George Tucker had several descendants name for him and on the distaff side the surnames of Hubbard, Mansfield, Butterfield and Tudor, among others. The first St. George Tucker in this country was born in Bermuda in 1752, coming to Virginia about 1770. He studied law at William and Mary College and also served on its faculty. He was a Lt. Colonel in the War for Independence on the commission at Annapolis; Judge of the general court in 1788 and held other important court offices. He also wrote the first "Tucker's Commentary on Blackstone" which was revised by his son, Henry St. George Tucker, and his grandson, John Randolph Tucker.

Motto on the Crest is, "Let nothing daunt you."

About FamilySearch Pedigree Resource File:

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will also be published and packaged with that set of discs. Discs may be purchased individually or as sets.

The Chastain Family of California

Updated February 21, 2003

- Lifetime Member of the Pierre Chastain Family Association.
- Member South Bay Cities Genealogical Society.

This page is dedicated to my all my children, Heather, Jerrad, Frine, Doc, Damon, and Devon and to Cydney and James the two greatest grandkids in the world. While genealogy is educational and fascinating, it would behoove us to remember that the bonds that bind a family are thicker than blood - Seldom do members of the same family grow up under the same roof.

I have been doing genealogical research on my family for decades. There are several related sites at the bottom of this page. I want to thank Marlyce (my lovely wife), Alvin (my Dad), Paula (My Aunt), Sheila (My favorite cousin that I've NEVER met), Patsy and Aunt Puggins and Grandma Dunkin (God rest the souls of the last two), for their help, mental stimulation, ideas and input. (And of course, my sainted mother, Arlene)!

I have traced the Maternal (Dunkin) side quite a ways. I am working on Samuel Dunkin, b. 1805 in Virginia. He married Charlotte. The 1850 Census of St. Joseph, Michigan shows Charles as a child in the home of Samuel (born circa 1805) and Charlotte Dunkin (both of Virginia). Land records place Samuel as coming from Loudoun County, Virginia. He is on the 1840 Census in Michigan, the 1830, 1820 and 1810 Censuses of Loudoun County, Virginia. I have reason to believe his father's name is Samuel as well - Samuel is the head of house in Virginia when Samuel is 5 yrs. old. Samuel - the elder - was born between 1760 and 1770. More work to do here, but I have many avenues yet to explore.

I have traced Tuckers too. Thomas Tucker, Jr. (b.ca.1712 in Maryland) is the most recent lead. I know his son was in the Revolutionary War, but have not followed through on many of the leads I have yet. Gainful employment always gets in the way . . . William "Bill" Tucker has found a wealth of Maryland data which I have listed and sourced, but not verified yet. My source is the source of the data to me, i.e., if you tell me T. Tucker is on the 1790 census, I will use you as the source, NOT the census until I personally verify the census. In essence - you will be a "lead", hopefully followed up shortly with first person research. After that, the info will list the second source, i.e., the census. William S. "Bill" Tucker also relates that Thos. Tucker, Sr., b. ca. 1668 was the son of Richard Tucker. Fascinating stuff which will undoubtedly prove to be valid as Bill has been doing this for a long time.

More promising has been the Chastain side where published and documented researched has facilitated my work. From 1572 in France down to Pierre Chastain in Virginia and then quite a ways down. Also, from the youngest Chastain (b.1991) backwards, I have developed a wide tree which leads me to John Withrow Chastain. Here is where I believe

the ancestry connects to published sources. I have found more evidence connecting William Newton Chastain to John Withrow Chastain than the 1860 Census (which was disputed). Included was electronic correspondence with a descendant of Jason Meadows Chastain. Also, I have found a nephew living with Wm. Newton, one of Jason's sons, who was clearly identified on the census. The Pierre Chastain Family Association has agreed with this and any impartial look at the handwriting will confirm it as well. Gloria Ford has a Bible that also verifies this info . . .

I was also lucky to trace the Hoyt family line (with the help of published sources) to Walter Hoyte, b. bet. 1479 & 1510 in England.

I have done some more work on the Lafferry (LaFerry, Laffery, Laferty) line as well. These people loved changing the spelling of their names. Some censuses show one spelling for the parent and a different one for the children! Never-the-less, I have done well here as well as with the Ewing family which they married into a great deal. They were from Logan County Arkansas and many fought for the Union.

e-mail letter from John Rohde, Jr. of Idaho on the Tucker family (June 13, 2000)

Hi Betty, I'm so glad the package arrived and am glad that you found the contents of interest. I hope you have had a chance to look over the materials. Thanks again for checking out the cemetery. I still don't know what to think about William Tucker's grave. My correspondent Ella, visited the cemetery in August of 1998. I may have to write Ella again and see what she has to say. I'm wondering if the Tuckers attended a church in Huntertown that might have death/burial records. Just a thought. It would be interesting though to know to which denomination the Tuckers of Allen County, Ind. belonged in order to compare it with that of Walter Tucker and of Osborn Tucker. I was once informed that the cemetery records were held by the township government. I wrote to an address for Perry Township but never received a reply.

With regard to the sir name, Branium, I also tried other possibilities and the closest that I could come up with was Branham. While there were Branhams in Maryland, I could never discover a tie between them and the Tuckers. The reason that I believe that the maiden name of William's and Osborn's wives was Lanham is because there is a record in King George's (St. John's Piscataway) Parish in Prince George's County, Maryland, for a marriage between Ozband Tucker and Elizabeth Ann Lanham on February 23, 1790. This date is 10 months before the date of the birth of Osborn Tucker's first child. In addition, on deed records in Edgar County, Illinois, Osborn Tucker's wife's name is recorded as Elizabeth, and Elizabeth Ann. Finally one of Osborn and Elizabeth Ann Tucker's great-granddaughters bore Lanham as a middle name.

You might be interested to know that after his first wife's death, Walter Tucker supposedly married a sister of William's and Osborn's wives named Sallie or Sarah. The year after Walter's name disappears from the tax list of Adams County, Ohio, a Sarah Tucker appears on the list.

I look forward to receiving your package in the mail. Let me compare your information with mine in order to determine what to send in reply. Please know that I really appreciate the help you are providing in nailing down the Tuckers and allied families of Allen County, Indiana. John

Another e-mail: (written June 21, 2000 and seems the first part may be missing)

of course, I didn't have as much info on the Fitch family members as you. I truly appreciate knowing more of about them. Do you perhaps know the source for the newspaper article on the Vandolah mill? It is very interesting and someone wrote an article on it. It's also amazing to me that the structure is still in existence. I'm not surprised that it's lasted this long, but I am surprised that someone hasn't come along and torn it down. (actually it was not still in existence.) Have you seen the article on James Vandolah in Volume 1 of VALLEY OF THE UPPER MAUMEE RIVER (1889). There are also entries for Nathaniel Fitch, for Amos Fitch and for Alanson C. Griffith.

I noticed on your family group sheets that you have a different date of death for Rebecca Tucker Vandolah than the transcribed records of the Old Huntertown Cemetery and as a result a different date of birth. One of the transcribed records that I have, lists Rebecca's date of death as February 16, 1884, aged 71 years, 8 months and 15 days, while another record it as March 16, 1884, aged 71 years, 8 months and 15 days. You have her death as February 16, 1881.

As your family group sheets indicate and as I have seen on the internet, Benjamin H. Vandolah is supposed to have married Mary Harrod. Is it certain that the Benjamin Vandolah who married Mary Harrod is one and the same person as the son of James and Rebecca Tucker?? I have had my doubts.

While I was aware that Phebe Vandolah Gump had a daughter, Emma, I was not aware that she had a son William, as James Vandolah Jr's will indicates. I came across Emma in various censuses but apparently, failed to spot William.

The Terry Tucker who you contacted, the Howard Tucker whose obit you sent and the Tuckers who are born in the new section of Huntertown Cemetery do not ring a bell with me. My first inclination is to say that they are probably a different family, not descendants, of Reason Tucker. Yet I know that Thomas Tucker had several children who I haven't been able to account for. So, perhaps they are descended from one of Thomas Tucker's sons.

I'd be very surprised if the book on the Tuckers mentioned by Terry Tucker's wife has any relevancy to Walter Tucker and descendants. The only published family history that I know to which our Walter Tucker is mentioned is Norma Tuckers book COLONIAL VIRGINIANS AND THEIR MARYLAND RELATIVES. A GENEALOGY OF THE TUCKER FAMILY. In it Norma decides to make Walter Tucker the son of Nathaniel Tucker of Frederick County, Maryland, but gives no explanation or evidence for doing so. This together with some other mistakes makes me question many of Norma's conclusions. I do not own a copy of Norma Tucker's book, nor, have I actually handled a copy of it. Instead I've received photocopied pages from Norma Tucker's History.

I hope the reroofing of your house went well. It was very nice of your church group to come to your aid. Very special people. I truly appreciate all the effort you've extended on my behalf, especially since this is still a time of bereavement. I feel guilty imposing on you at all at this time so you must know how very, very grateful I am to you for your help and kindness. If I am indeed, imposing on you, please don't hesitate to tell me. I will understand perfectly. I will attempt to get another packet of info off to you before the end of the week. Like yours, my reports will not contain any of the new information that you have kindly provided.

Possibly another e-mai?

that were so old I couldn't really tell what was on them, but it seemed to her that she could read Mary, wife of William S. Tucker. Somehow I got it into my head that Ella found only one stone for both William and Mary, but apparently she discovered two. I'm not sure which right corner, she is referring to except that she mentions it after reference to the empty lot 198 purchased by E. G. tucker. I don't know who e. G. Tucker is. Could he be Thomas and Mary (Shoemaker) Tucker's son Elbridge? There may be more than one William Tucker buried in the Old Huntertown Cemetery. I seem to recall that you are correct about the name Lucy Gump on the 1850 census. Yet on the 1860 Census she is enumerated as Stacey Jump. Again John Tucker is living in her household along with a Margaret Jump, age 20 and a Robert Jump, age 18, both of whome were born in Ohio. I assume that Margare and Robert are Lucy/Stacey/Tacey Jump/Gump's children. If memory serves, there are three Gump/Jump children in household in 1850.

I have photocopies of some of the censuses that are interested in but not all. I usually just take notes from the microfilmed copies of the censuses. I do have paper copies of the West Virginia tax lists that I mentioned and will certainly get them off in the to you. It may take me a little longer to obtain copies of the censuses and get them mailed. I will also send you pages from the 1776 Provincial Census of the Lower Potomack Hundred as transcribed by Gaius Marcus Brumbaugh in his MARYLAND RECORD, COLONIAL AND REVOLUTIONARY, COUNTY AND CHURCH. There is another transcription by Betty Sterling Carothers. Regrettably, I haven't gotten around to obtaining a copy of the original census although it's now become a priority of mine.

In the transcriptions of the census and apparently on the original, the females are listed separately. Having only transcriptions, I was led to believe that the original would not be any more helpful in determining which one of the Tucker females that are listed is Walter Tucker's wife. Just recently, a gentleman who volunteered to do research for me at the Montgomery County, Maryland Historical Society informed me that it is possible link some of the females with the males. I'm now in the process of having the Montgomery County Historical Society verify what the gentleman told me and to verify which female is Walter's wife. Previous contact with the historical society had not brought this possibility of linking male and female Tuckers to my attention. So we will see.

The information that you found on the internet regarding William Tucker's enumeration on the 1820 U.S. Census of Sugar Creek Twp., Greene Co., Ohio is correct. I don't know that the male and female under 10 and the female 16 to 26 are necessarily William's children, especially the two under 10. I can't say who these people are in William's household.

On the 1830 census, there are seven individuals in William Tucker's household, one male under 5, one male 5-10, one male 10-15, one male 60-70, one female under 5, one female 30-40, and one female 60-70.

It seems likely to me that William Tucker is the male between 700-80 living in Rezin Tucker's household on the 1840 U.S. census. It is disappointing that William Tucker did not leave a will and there is no probate record for him either. Is his death too early in time for a death notice or obituary?

I may be mistaken about James and Rebecca Tucker Vandolah having a son named Charles. He doesn't appear in Rebecca's household on the 1850 census, but he is in her household in 1860. I couldn't quite make out Charles Vandolah's age, but I thought it read 16. Another mystery?

It would be very interesting to obtain copies of the Tucker deed records in Allen County, Indiana, as well as the ones in Greene County, Ohio. I know that there are no deeds for William Tucker in either locale. I haven't yet completed checking the tax records for Greene County, Ohio, to determine who's listed. An index to Greene County, Ohio land records show that Reason and his wife Frances bought and sold land in the county. I guess that I should also check the land transactions in Montgomery Co., Ohio.

On page 641 of R.S. Dills HISTORY OF GREENE COUNTY, there is the following:

Washington Mills, on the Little Miami, about 2 miles northeast of Bellbrook, was built, in 1821 by Samuel Lamme and Resin Tucker and Thompson Vaughn, millwrights.

To date I have tried unsuccessfully to determine if Rezin/Reason Tucker's wife, Frances was either a Lamme or a Vaughn. It is unfortunate that most of early marriage records of Jefferson County, West

Virginia were destroyed. If Reason and Frances got married in that county, there is no longer a surviving record of it.

You shouldn't have any problem finding Walter Tucker on the 1790 U.S. Census of Montgomery County, Maryland. I also understand that he can be found on the 1783 Assessment of Montgomery County, Maryland. He doesn't appear on any Personal Property Tax List of Berkeley County (West) Virginia until 1792.

I apologize for taking so long to respond to your last e-mail; I've been swamped of late with e-mails and information from other people, but I think I'm finally getting a handle on it all.

This was from a June 2, 2000 e-mail from John Rohde.

Hi Betty,

The dates you provided for Walter Tucker Re: your e-mail Tucker date 8/23/2010 were 1738-1828. I would like to know the source of those date so that I can enter that information in John's History Record of the Tuckers.

Regards,

John Rohde

Some genealogies have Walter as being the son of Nathaniel Tucker born 1708, Walter being born in England in 1738 and his death in Manchester, Ohio (which is in Adams Co.) in 1824. John Rohde has no birth date, no father, and his death in 1828 in Adams Co., Ohio. Perhaps John did not find enough evidence to link him to Nathaniel so did not put that in his genealogy. More info needed. Reference to Nathaniel as father of Walter comes from "Virginia Colonials and Their Maryland Relatives" by Norma Tucker, and in that Nathaniel is mentioned as a "possible" father for Walter. We can note also that in the Tax list for the Lower Potomack Hundred we find an Edward Tucker and Eleanor Tucker who are 56 years of age in 1776 and old enough to be the father of Walter also and in the right place. Apparently there are no birth places listed here, just names and ages. More evidence of a connection with Nathaniel is "a signed petition to have Frederick Co., MD, become a separate county from Prince George which may have been cut out of Calvert Co. This petition was signed by Nathaniel Tucker, William Tucker, and John Tucker in the year 1743. This might indicate that there were at least 3 brothers of the family in MD at the time.....Nathaniel, William, and John. Our Walter was too young so this would have to be a generation older, making it a possibility that Nathaniel, William, John and Edward might have all been brothers!!??

Hello Betty,

Thank you for providing your new e-mail address. Our e-mail address has been altered to ROHTUCK@att.net.

It is with sadness that I inform you of the death of my Son John and your fellow correspondent on April 10, 2007.

I am trying to keep up with John's Tucker Family research. If you will please answer the following questions. Where do you live? Where is the Cemetery you mentioned in the referenced e-mail located? What is your Tucker connection? Your help will be appreciated.

Thanks again.

 <DIV>According to family tradition, Osborn
 Tucker's wife Elizabeth was a sister</DIV>
 <DIV>of the wife of Osborn's brother
 William. William's wife is supposed to be</DIV>
 <DIV>named Mary or Mollie. Family tradition also
 held that the maiden name of </DIV>
 <DIV>the two sisters was
 "Branium". I have searched and searched for the </DIV>
 <DIV>surname "Branium" and have not found the surname in any record, in any
 </DIV>
 <DIV>place, at any time. I have since concluded that Osborn Tucker's wife's real </DIV>
 <DIV>name was Elizabeth Ann Lanham. It still may be true, however, that
 Elizabeth</DIV>
 <DIV>Ann is a sister of William Tucker's wife.</DIV>

Walter 1790 Census makes him b. before 1774
but having 2 other males over 16 adds about 36+ to that
unless they are brothers 1738
if sons, there would be 5 of them by 1790
perhaps some died

1792 William could have left home Is Allen a son?
or brother?

<DIV>Tuckers (although it doesn't appear that she and I are related) visited the</DIV>

<DIV>Old Huntertown Cemetery awhile back. She told me that on William Tucker's</DIV>

<DIV>gravestone, there is engraved a record for his wife Mary. I'm aware that the</DIV>

<DIV>wife's inscription doesn't appear in any transcribed record of the Old</DIV>

<DIV>Huntertown Cemetery. I've been trying to have the inscription verified, but,</DIV>

<DIV>to date, I've not been successful. If you should ever visit the Old Huntertown</DIV>

<DIV>Cemetery again, could you please check William Tucker's gravestone to</DIV>

<DIV>determine if there is, indeed, an inscription for a wife Mary? Also, according</DIV>

<DIV>to transcribed records of the cemetery, a R. Tucker bought Lot A 69. I'm</DIV>

<DIV>wondering if this is Reason/Rezin Tucker and if there is any record to go</DIV>

<DIV>along with the cemetery lot.</DIV>
